Benefit descriptions

Ambulance coverage for U.S. residents

Core domestic benefits

Benefit	Description
 Emergency Ground Ambulance Coverage	MASA will help cover out-of-pocket expenses incurred by ground ambulance transportation services resulting from a serious emergency to the nearest and most appropriate medical facility or suitable airport.
 Emergency Air Ambulance Coverage	MASA will help cover out-of-pocket expenses associated with emergent fixed-wing and rotary aircraft transport. All flights must be ordered by a first responder or transferring physician who deems air transport as medically necessary.
 Hospital to Hospital Ground Ambulance Coverage	MASA will help cover out-of-pocket expenses associated with physician-ordered hospital-to-hospital ground ambulance transportation in cases where a specialized level of care is not available at their current facility.
 Hospital to Hospital Air Ambulance Coverage	MASA will help cover out-of-pocket expenses associated with physician-ordered hospital-to-hospital air ambulance transportation in cases where a specialized level of care is not available at their current facility.
 Worldwide Emergency Ground Ambulance Coverage	MASA will reimburse expenses for ground ambulance transportation services resulting from a serious emergency to the nearest and most appropriate medical facility or suitable airport while outside the United States.
 Worldwide Emergency Air Ambulance Coverage	MASA will reimburse expenses for air ambulance transportation services resulting from a serious emergency to the nearest and most appropriate medical facility or suitable airport while outside the United States.
 Worldwide Hospital to Hospital Ground Ambulance Coverage	MASA will reimburse expenses for a physician-ordered hospital-to-hospital ground ambulance transportation in cases where a specialized level of care is not available at a member's current facility while outside the United States.
 Worldwide Hospital to Hospital Air Ambulance Coverage	MASA will reimburse expenses for a physician-ordered hospital-to-hospital air ambulance transportation in cases where a specialized level of care is not available at a member's current facility while outside the United States.
 Cruise Ship Evacuation Coverage	MASA will help cover out-of-pocket expenses for physician-ordered air ambulance transportation off a cruise ship in cases where a specialized level of care is not available on the ship.
 Post-Admission Continued Care Transportation Coverage	MASA will reimburse expenses up to \$500 for non-emergency ground transportation to and between the medical facility, rehabilitation facility, skilled nursing facility, long-term care facility, hospice facility, or back home to attain continued care resulting from an emergency.

Ambulance coverage for Caribbean residents

Core international benefits

Benefit	Description	
 Caribbean	Ground Ambulance Coverage	MASA Assist will help coordinate and pay for ground ambulance transfers between hospitals and airports during a member's emergency air transport.
 Caribbean	Air Ambulance Coverage	MASA Assist will help coordinate and pay to fly a member to the nearest appropriate medical facility capable of providing needed treatment when the member needs specialized emergency treatment not available locally.
 US	Ground Ambulance United States Direct Coverage	MASA Assist will help coordinate and pay for ground ambulance transfers between hospitals and airports when using Air Ambulance United States Direct Coverage.
 US	Air Ambulance United States Direct Coverage	MASA Assist will help coordinate and pay to fly a member to the nearest appropriate medical facility in the United States capable of providing the necessary level of medical care for the member.
 US & Canada	Ground Ambulance Hospital of Choice Coverage	MASA Assist will help coordinate and pay for ground ambulance transfers between hospitals and airports when using Air Ambulance Hospital of Choice Coverage.
 US & Canada	Air Ambulance Hospital of Choice Coverage	MASA Assist will help coordinate and pay to fly a member to the medical facility of the Member's choice in either Zone 1 (Caribbean and Southeast US), Zone 2 (Caribbean, Southeast US, and Central US), or Zone 3 (Caribbean, US, and Canada) capable of providing the necessary level of medical care for the member.
 Caribbean, US, S. America	Ground Ambulance Health Choice Plus Coverage	MASA Assist will help coordinate and pay for ground ambulance transfers between hospitals and airports when using Air Ambulance Health Choice Plus Coverage.
 Caribbean, US, S. America	Air Ambulance Health Choice Plus Coverage	MASA Assist will help coordinate and pay to fly a member to the medical facility of the Member's choice in the Caribbean, United States, Dominican Republic, Colombia, or Martinique capable of providing the necessary level of medical care for the member.

Organ transportation

Benefit

Organ Retrieval Transportation Coverage

Description

MASA will help cover the out-of-pocket expenses associated with the transportation of an organ to be retrieved and used for your organ transplant.

Organ Recipient Transportation Coverage

MASA will help coordinate and pay for the out-of-pocket expenses associated with the air transportation expenses for you to fly to the commercial airport nearest the medical facility for a scheduled organ transplant.

Mortal remains transportation

Benefit

Mortal Remains Return Transportation Coverage

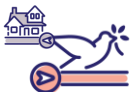

Description

MASA provides informational support and covers reimbursement for expenses incurred for the transportation of a member's mortal remains back to their area of residence via air, ground, or ferry, in the event member passes away while more than 100 miles away from home.

Mortal Remains Transportation Coverage to Burial Address

MASA will help coordinate and pay for the transportation of a member's mortal remains to a location within the Caribbean, United States, Canada, or Mexico.

Mortal Remains Coverage to Burial Address

MASA Arrange will help coordinate and pay for the out-of-pocket costs of a member's mortal remains to a location within the United States, in the event member passes away while more than 75 miles away from home.

Benefit

Pet Return Transportation Coverage

Description

MASA will help assist the Member through the process and reimburse up to \$2,500 in expenses for the return of your pet if left unattended as a result of your ambulance transport.

Vehicle transportation

Benefit

Vehicle & RV Return Transportation

Worldwide Vehicle & RV Return Transportation

Description

MASA will help coordinate and pay for the return of owned vehicles to a member's residence or rental vehicles to the appropriate company if a member is taken away from a vehicle or RV as a result of emergency transportation. MASA will make all the arrangements and cover the costs of fuel, oil, and qualified driver.

MASA will reimburse expenses for the return of rented or owned vehicles to a member's accommodations or residence, or rental vehicles to the appropriate company, when left due to a member's emergency transport while outside the United States.

Companion & visitor transportation

Benefit

Companion Emergency Transportation Coverage

Companion Return Transportation Coverage

Companion Air Ambulance Transportation Coverage

Companion Ground Ambulance Transportation Coverage

Hospital Visitor Air Transportation Coverage

Hospital Visitor Ground Transportation Coverage

Description

MASA provides coverage for out-of-pocket expenses incurred from having a companion accompany you in a ground or air emergency transportation vehicle.

If hospitalized more than 100 miles from home, MASA will help coordinate and pay for the expenses associated with return transportation for a companion from the inpatient hospitalization location back to their home.

MASA Assist will help coordinate and pay for a companion to accompany the member during an emergency air ambulance transport.

MASA Assist will reimburse out-of-pocket expenses for a companion to accompany the member during a ground ambulance transport to the airport from the hospital and from the airport to the hospital.

MASA provides coverage for a round-trip ticket of a visitor of your choice to be by your side when an emergency occurs more than 100 miles from home.

For emergencies that happen near home, MASA will reimburse a visitor's expenses related to parking and taxi/ride share expenses up to \$200 for your companion of choice to visit during your hospital stay if hospitalized.

Concierge travel assistance services

Benefit

Translation Services

Global Advisor

Concierge Service

Emergency Message Relay Center

Prepay Foreign Currency Emergency Transportation Coverage

Description

When an emergency occurs in a location where you cannot speak the native language, MASA will provide telephonic access to a translator to help provide the vital information required.

MASA will provide tailored guidance on the latest health and safety information for a member's chosen destination to be better prepared to explore unfamiliar places with confidence and peace of mind.

MASA will assist with coordinating travel back home as a result of an emergency disrupting travel, including transportation schedules, luggage retrieval, visas, and other items to ensure that a member has information, travel documents, and belongings to return home.

MASA will assist the relay of messages from the member and physician back to loved ones with latest updates.

In the event foreign currency is required to prepay for emergency transportation, MASA will pay up to \$50,000 for the member to be medically transported.

Hospitalization & sickness protection

Benefit

Hospitalization Indemnity Protection Coverage

Hospital Private Room Upgrade

Sick While Away From Home Expense Protection

Description

MASA will provide an indemnity coverage of \$5,000 when a member is admitted for an inpatient medical stay resulting from serious emergency while outside the United States.

MASA will reimburse expenses for choosing a private hospital room after using emergency transportation coverage and are exposed to out-of-pocket expenses as a result.

MASA will reimburse expenses for contracting a communicable disease or becoming too ill to travel while more than 100 miles away from home (includes accommodation, meals, testing, medical facility visit to attain proof, and airline re-booking). (Limited to two claims per consecutive 12-month period beginning from plan effective date.)

Incidental costs protection

Benefit

Just-In-Case Cash Indemnity Coverage

Extended Hospital Stay Incidental Expense Coverage

Transportation Interruption Expense Protection

Description

MASA Assist will provide \$300 (BVI)/\$1,000 USD (USVI) directly to the member for out-of-pocket expenses incurred when using Air Ambulance Coverage. (Limited to one claim per consecutive 12-month period beginning from plan effective date.)

MASA will reimburse expenses for incidentals incurred if a member is hospitalized over 100 miles from home for an extended period of 7 days or more (including hotels, food, transportation, and more). (Limited to two claims per consecutive 12-month period beginning from plan effective date.)

MASA will reimburse expenses due to unexpected airline transportation delay, cancellation, or missed flight due to a Serious Emergency while outside the United States. (Limited to two claims per consecutive 12-month period beginning from plan effective date.)

Medical assistance services

Benefit

Physician Search

Nurse Helpline

Medical Payments Advisor

Medical Device Bracelet

Claims Assistance

Description

MASA will assist in locating a licensed physician if a member needs medical care while abroad.

In the event a less urgent medical condition arises while out of the country, MASA will connect a member to a registered nurse for guidance.

MASA's professional advisors will help verify policy enrollment, confirm medical benefits coverage, provide guidance on medical expenses due, and more for medical bills resulting from an inpatient medical stay.

MASA will send a MyID medical device bracelet to store important medical information. The bracelet features the star of life symbol so first responders and physicians can quickly access and attain important life-saving information.

MASA will provide access to a qualified professional capable of verifying enrollment and coverage, confirming medical and supplemental benefit payment, negotiating bills with transport providers, and assisting the Member through the appeals process as necessary.

Legal assistance services

Benefit

Attorney Search

Description

MASA will assist a member to find a licensed attorney who better understands the legal system of the country they are in should legal services be required.

First-year and claim satisfaction reimbursement

Benefit

First Year Satisfaction Guarantee

Description

MASA Assist will reimburse a member's first year of coverage if they are dissatisfied with the services provided.

Return of Membership Fees

MASA Assist will reimburse membership fees up to \$2,000 USD if a member dies within the first 12 months of a member's effective date.

Repatriation

Benefit

Repatriation to a Hospital Near Home Coverage

Patient Return Transportation Coverage

Cruise Ship Return Transportation Coverage

Terminally Ill Transportation Coverage

Description

MASA will help coordinate and pay expenses associated with a ground or air ambulance to transport to a medical facility near home to recuperate closer to family and in familiar surroundings if hospitalized more than 100 miles away from home.

MASA will help coordinate and pay for a commercial flight back to the member's residence once discharged from the hospital following an emergency occurring 100 miles away from home.

As a result of a physician ordered air ambulance transport off a cruise ship, MASA will help coordinate and pay for expenses associated with a one-way airfare ticket for a member and a companion to return to the airport nearest to the cruise to continue the trip in the case the cruise is still mid-voyage.

MASA Assist will help coordinate and pay to fly a member home should they receive a terminal illness diagnosis after an inpatient hospital stay more than 100 miles away from home.

Specialized treatments

Benefit

Essential Medical Care Airfare Coverage

Description

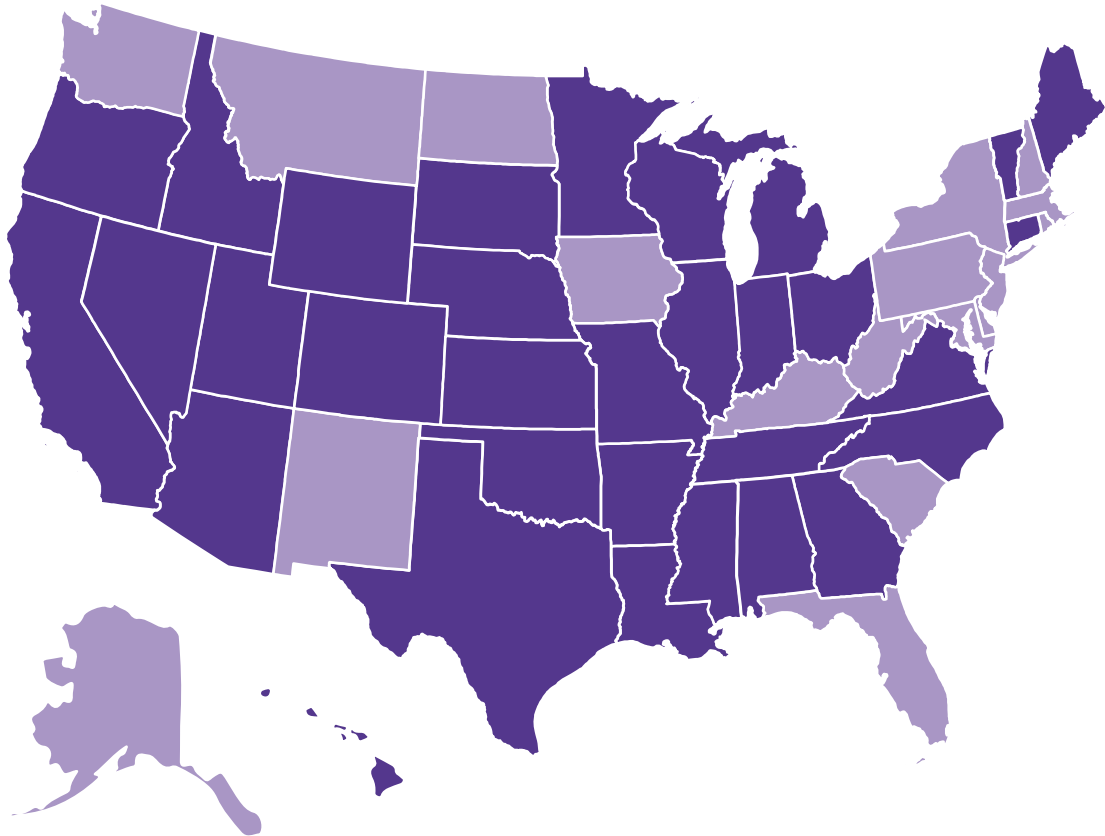

MASA Assist will reimburse out-of-pocket expenses for a member's round-trip commercial air transportation or ferry fare to receive medically necessary care not available locally. (Pre-approval by MASA required before use).

Group Benefits standard terms and limitations

Definitions

- Serious Emergency: shall be defined as an emergency where delay in immediate treatment(s) and/or procedure(s) may result in permanent and/or irreversible harm to Member such as, but not limited to, paralysis, loss of limb, visual impairment, organ damage, and/or death.
- Medically Necessary: shall be defined as a medical service, procedure or supply provided for the purpose of preventing, diagnosing or treating an illness, injury, disease or symptom and (i) is Medically Appropriate for the symptoms, diagnosis or treatment of the condition, illness, disease or injury; (ii) provides for the diagnosis, direct care and treatment of the patient's condition, illness, disease or injury; (iii) is in accordance with professional, evidence-based medicine and recognized standards of good medical practice and care; and (iv) not primarily for the convenience of the patient, physician or other health care provider.
- Out-of-Pocket Expenses: shall be defined as the remainder of the Member's financial responsibility, after application of any primary health insurance, for a covered Benefit under this Agreement, to sufficiently exhaust Member's liability for such Benefit.
- Member: shall be defined as the person who makes, either directly or through a third-party, including electronically, the application for membership with MASA and whose application and applicable fees have been received and accepted by MASA, and thereby becomes a Member in Good Standing. If the Member is enrolled in a family membership, Member shall also mean any Dependent(s).
- Dependent: shall be defined as a spouse, domestic partner, or other legally recognized person who is under the age of twenty-six (26) years and is (i) the Member's biological or adoptive son, daughter, stepson, or stepdaughter ("child") or (ii) a person over whom the Member has legal custody and/or control ("legal child").

Qualification for coverage

- Must hold active primary health insurance at time of serious emergency/incident occurring
- Must be 18 years of age or older to purchase a plan
- Must primarily be living at a US 50-states residence

Qualifications to access coverage

- Benefits that only can be accessed when more than 100 miles from home:
 - Repatriation to a Hospital Near Home Coverage
 - Hospital Visitor Air Transportation Coverage
 - Sick While Away From Home Expense Protection
 - Patient Return Transportation Coverage
 - Mortal Remains Return Transportation Coverage
- Benefits that have a cap/ year – MASA utilizes "rolling 12 months language, beginning from the effective date"
- Organ Recipient – 1 year waiting period before use

Supplemental protection

- MASA covers after primary insurance decision on claim, and after any payment made by primary
- MASA requires primary health insurance coverage at time of claim, MASA will pay up to 20% of total bill if member does not carry primary GROUP health insurance at time of claim (not all states allow this language).
- For ETP plan, primary GROUP health insurance and a supplemental GROUP offered health plan (AI, HI, CI, Life Insurance) are required to access services, have a narrowed

Worldwide coverage

- MASA does not service countries on level 4/other countries on government travel advisory site, OFAC countries, and Antarctica.
- Travel Itineraries (dates and locations travelling to) outside US, Canada, Mexico, and the Caribbean must be sent to travel@masaglobal.com at least 10 days prior for Worldwide coverage to apply
 - This is to ensure that MASA can inform member if they are covered or not in country going to and one of only times outside of a claim Member engages with MASA
 - If not provided, MASA will only cover up to \$50,000 in the event MASA services are needed

Pre-existing conditions waiting period

- If a Member has a pre-existing condition, all non-emergency benefits will not apply during the first ninety (90) days of enrollment.
 - This to protect claims that are guaranteed.

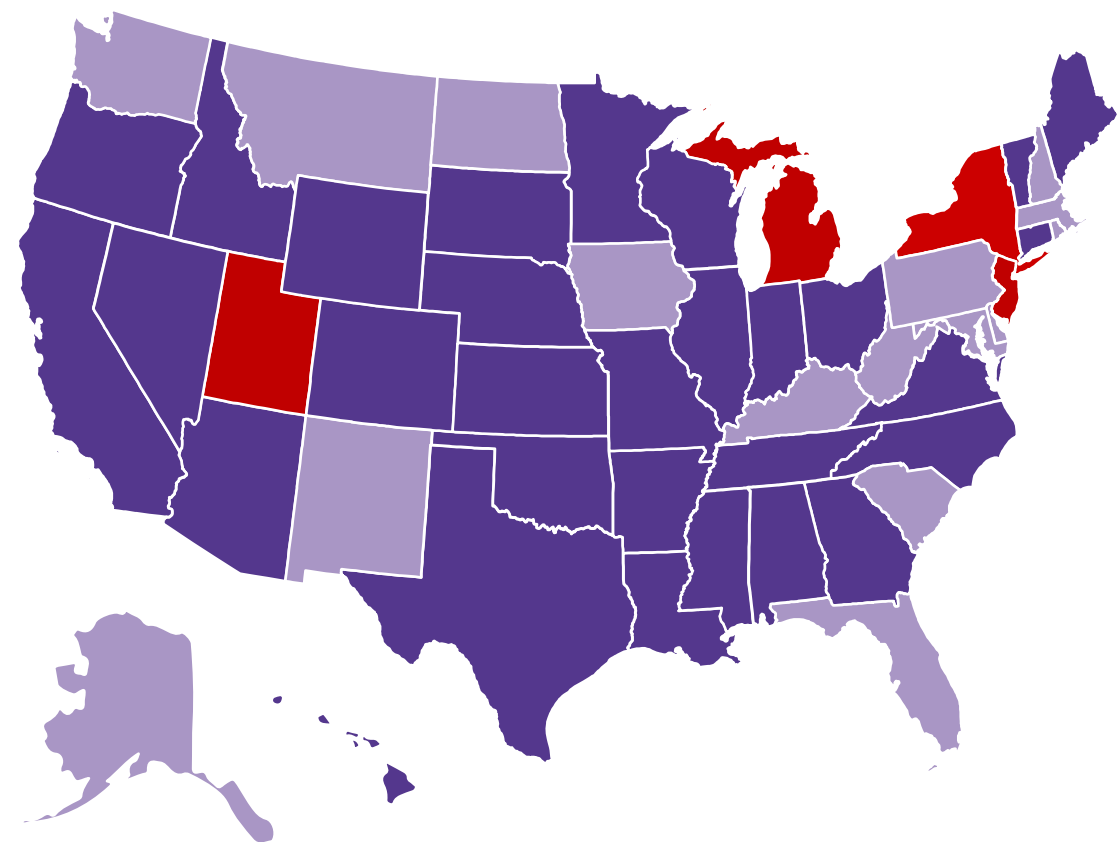

Claims submission period

- MASA claims must be submitted within 180 days of incident or ambulance transport

Group Benefits standard exclusions

1. Transport for elective and/or cosmetic surgery
2. Occurrences related to military personnel during active-duty hours
3. Air travel, other than as a passenger in an aircraft operated by a common-carrier airline, maintaining regular published schedules
4. Treatment for mental illness or disease or any self-inflicted injury shall be limited to one (1) claim per membership for each consecutive twelve (12) month period beginning from the effective date
5. Under the influence of intoxicants and/or narcotics unless administered on the advice of a physician;
6. Inherently dangerous activities such as participation in professional athletic events, motor sport or motor racing, bull-riding, skydiving, parachuting, hang gliding, bungee cord jumping, heli-skiing, spelunking, etc.
7. A serious emergency or out-of-pocket expense arising from employment where coverage is provided and approved under and Workers' Compensation Law, occupational disease/hazard law or similar legislation
8. Participation in a Riot, insurrection, rebellion, civil disobedience or unlawful assembly;
9. Participation in declared or undeclared war or acts thereof
10. If Member is diagnosed by a physician with a terminal illness that can reasonably be expected to result in death in one (1) month or less after the date of the certification following an inpatient admission, MASA will not provide coverage for Emergency Air Ambulance Coverage, Hospital to Hospital Air Ambulance Coverage, and Repatriation to Hospital Near Home Coverage
11. A membership cannot be purchased while Member is Inpatient at a Medical Facility requesting benefits
12. State laws may prevent a Medicaid participant participating in a medical transport membership and/or association, MASA does not cover those participating in a Medicaid health insurance plan.

Consumer & Partners standard terms & limitations

Definitions

- Serious Emergency: shall be defined as an emergency where delay in immediate treatment(s) and/or procedure(s) may result in permanent and/or irreversible harm to Member such as, but not limited to, paralysis, loss of limb, visual impairment, organ damage, and/or death.
- Medically Necessary: shall be defined as a medical service, procedure or supply provided for the purpose of preventing, diagnosing or treating an illness, injury, disease or symptom and (i) is Medically Appropriate for the symptoms, diagnosis or treatment of the condition, illness, disease or injury; (ii) provides for the diagnosis, direct care and treatment of the patient's condition, illness, disease or injury; (iii) is in accordance with professional, evidence-based medicine and recognized standards of good medical practice and care; and (iv) not primarily for the convenience of the patient, physician or other health care provider.
- Out-of-Pocket Expenses: shall be defined as the remainder of the Member's financial responsibility, after application of any primary health insurance, for a covered Benefit under this Agreement, to sufficiently exhaust Member's liability for such Benefit.
- Member: shall be defined as the person who makes, either directly or through a third-party, including electronically, the application for membership with MASA and whose application and applicable fees have been received and accepted by MASA, and thereby becomes a Member in Good Standing. If the Member is enrolled in a family membership, Member shall also mean any Dependent(s). If the Member is enrolled in a single membership, then only Grandchildren and Great-Grandchildren shall be considered Dependent (s).
- Dependent: shall be defined as a spouse, domestic partner, or other legally recognized person who is under the age of twenty-six (26) years and is (i) the Member's biological or adoptive son, daughter, stepson, or stepdaughter ("child") or (ii) a person over whom the Member has legal custody and/or control ("legal child").
- Dependent: shall be defined as a spouse, domestic partner, or other legally recognized person who is under the age of twenty-six (26) years and is (i) the Member's biological or adoptive son, daughter, stepson, or stepdaughter ("child") or (ii) a person over whom the Member has legal custody and/or control ("legal child").

Qualifications to purchase coverage

- Must hold active primary health insurance at time of serious emergency/incident occurring
- Must be 18 years of age or older to purchase a plan
- Must primarily be living at a US 50-states residence
- Lifetime plans – must be above the age of 50 to purchase

Benefit limitations

- Benefits that only can be accessed when more than 100 miles from home:
 - Repatriation to a Hospital Near Home Coverage
 - Hospital Visitor Air Transportation Coverage
 - Sick While Away From Home Expense Protection
 - Patient Return Transportation Coverage
 - Mortal Remains Return Transportation Coverage
 - Companion Return Transportation Coverage
 - Extended Hospital Stay Incidental Expense Coverage
- Benefits that have a cap/ year – MASA utilizes "rolling 12 months language, beginning from the effective date"
- Organ Recipient – 1 year waiting period before use

Supplemental protection

- MASA covers after primary insurance decision on claim, and after any payment made by primary
- MASA requires primary health insurance coverage at the time of claim. If a member does not carry primary health insurance at the time of claim, MASA will pay up to 20% of the total bill (not all states allow this language).

Worldwide coverage

- MASA does not service countries on level 4/other countries on government travel advisory site, OFAC countries, and Antarctica.
- Travel Itineraries (dates and locations travelling to) outside US, Canada, Mexico, and the Caribbean must be sent to travel@masaglobal.com at least 10 days prior for Worldwide coverage to apply
 - This is to ensure that MASA can inform member if they are covered or not in country going to and one of only times outside of a claim Member engages with MASA
 - If not provided, MASA will only cover up to \$50,000 in the event MASA services are needed

Pre-existing conditions waiting period

- If a Member has a pre-existing condition, all non-emergency benefits will not apply during the first ninety (90) days of enrollment.
 - This to protect claims that are guaranteed.

Claims submission period

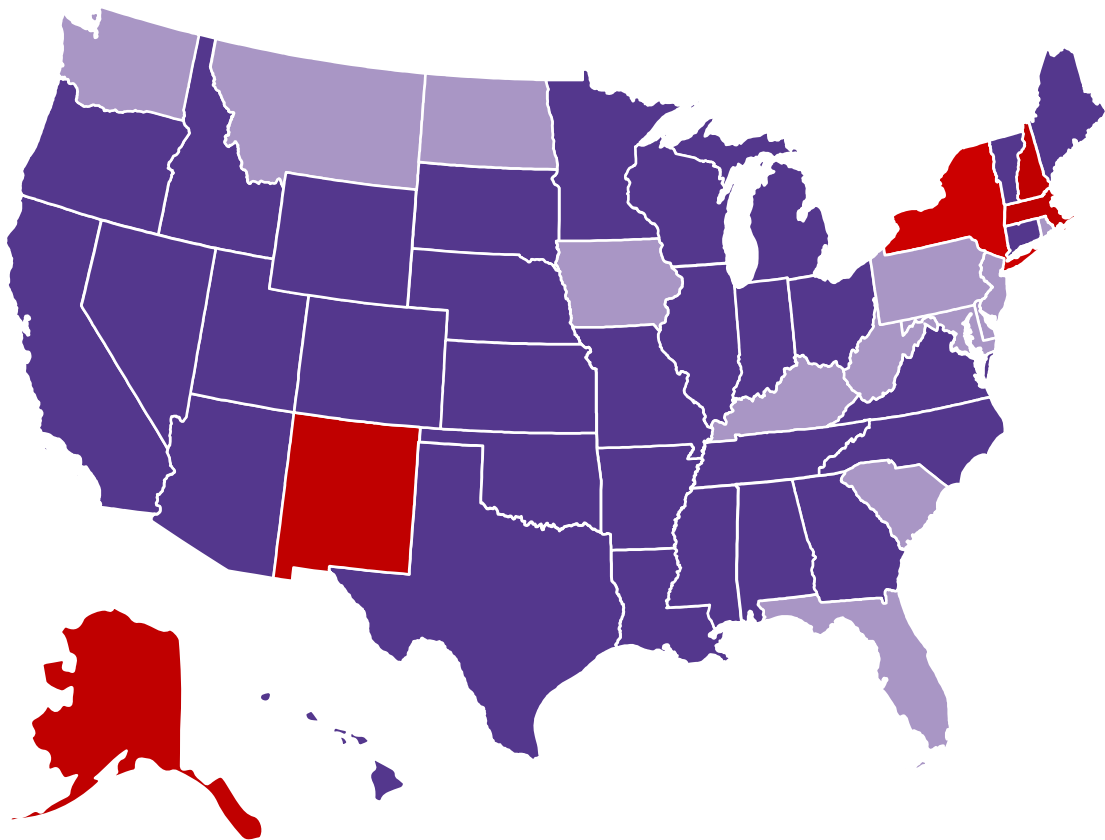

- MASA claims must be submitted within 180 days of incident or ambulance transport

Consumer & Partners standard exclusions

1. Transport for elective and/or cosmetic surgery
2. Occurrences related to military personnel during active-duty hours
3. Air travel, other than as a passenger in an aircraft operated by a common-carrier airline, maintaining regular published schedules
4. Treatment for mental illness or disease or any self-inflicted injury shall be limited to one (1) claim per membership for each consecutive twelve (12) month period beginning from the effective date
5. Under the influence of intoxicants and/or narcotics unless administered on the advice of a physician;
6. Inherently dangerous activities such as participation in professional athletic events, motor sport or motor racing, bull-riding, skydiving, parachuting, hang gliding, bungee cord jumping, heli-skiing, spelunking, etc.
7. A serious emergency or out-of-pocket expense arising from employment where coverage is provided and approved under and Workers' Compensation Law, occupational disease/hazard law or similar legislation
8. Participation in a Riot, insurrection, rebellion, civil disobedience or unlawful assembly;
9. Participation in declared or undeclared war or acts thereof
10. If Member is diagnosed by a physician with a terminal illness that can reasonably be expected to result in death in one (1) month or less after the date of the certification following an inpatient admission, MASA will not provide coverage for Emergency Air Ambulance Coverage, Hospital to Hospital Air Ambulance Coverage, and Repatriation to Hospital Near Home Coverage
11. A membership cannot be purchased while Member is Inpatient at a Medical Facility requesting benefits
12. State laws may prevent a Medicaid participant participating in a medical transport membership and/or association, MASA does not cover those participating in a Medicaid health insurance plan.

International standard terms & limitations

Definitions

- Serious Emergency: shall be defined as an emergency where delay in immediate treatment(s) and/or procedure(s) may result in permanent and/or irreversible harm to Member such as, but not limited to, paralysis, loss of limb, visual impairment, organ damage, and/or death.
- Medically Necessary: shall be defined as a medical service, procedure or supply provided for the purpose of preventing, diagnosing or treating an illness, injury, disease or symptom and (i) is Medically Appropriate for the symptoms, diagnosis or treatment of the condition, illness, disease or injury; (ii) provides for the diagnosis, direct care and treatment of the patient's condition, illness, disease or injury; (iii) is in accordance with professional, evidence-based medicine and recognized standards of good medical practice and care; and (iv) not primarily for the convenience of the patient, physician or other health care provider.
- Out-of-Pocket Expenses: shall be defined as the remainder of the Member's financial responsibility, after application of any primary health insurance, for a covered Benefit under this Agreement, to sufficiently exhaust Member's liability for such Benefit.
- Member: shall be defined as the person who makes, either directly or through a third-party, including electronically, the application for membership with MASA and whose application and applicable fees have been received and accepted by MASA, and thereby becomes a Member in Good Standing. If the Member is enrolled in a family membership, Member shall also mean any Dependent(s).
- Dependent: shall be defined as a spouse, domestic partner, or other legally recognized person who is under the age of twenty-six (26) years and is (i) the Member's biological or adoptive son, daughter, stepson, or stepdaughter ("child") or (ii) a person over whom the Member has legal custody and/or control ("legal child").

Qualifications to purchase coverage

- Must be 18 years of age or older to purchase a plan
- Must primarily be living at a Caribbean residence

Benefit limitations

- Benefits that only can be accessed when more than 100 miles from home:
 - Repatriation to a Hospital Near Home Coverage
 - Hospital Visitor Air Transportation Coverage
 - Sick While Away From Home Expense Protection
 - Patient Return Transportation Coverage
 - Mortal Remains Return Transportation Coverage
 - Companion Return Transportation Coverage
 - Extended Hospital Stay Incidental Expense Coverage
- Benefits that have a cap/ year – MASA utilizes "rolling 12 months language, beginning from the effective date"
- Organ Recipient – 1 year waiting period before use

Air Ambulance Protection locations flown to:

- The plans have unique benefit protection that provide locations off island the Member will/can be flown to:
 - Caribbean plans: Nearest most appropriate location in the Caribbean
 - USA plans: extends coverage from Caribbean to nearest most appropriate location in the USA (typically is South Florida)
 - Health Choice Plus plans extends coverage from Caribbean to United States, Dominican Republic, Colombia, Martinique (Members choice of location to go to)
 - Hospital of Choice: extends coverage from Caribbean to United States and Canada based on Zone purchased (Members choice of location to go to)
 - Zone 1: Alabama, Arkansas, Florida, Georgia, Louisiana, Mississippi, North Carolina, South Carolina, Tennessee.
 - Zone 2: Zone 1 and Connecticut, Delaware, District of Columbia, Illinois, Indiana, Iowa, Kansas, Kentucky, Maine, Maryland, Massachusetts, Michigan, Missouri, New Hampshire, New Jersey, New York, Ohio, Oklahoma, Pennsylvania, Rhode Island, Texas, Vermont, Virginia, West Virginia
 - Zone 3: Zone 1, Zone 2, and Alaska, Arizona, California, Colorado, Idaho, Minnesota, Montana, Nebraska, Nevada, New Mexico, North Dakota, Oregon, South Dakota, Utah, Washington, Wisconsin, Wyoming, Canada

Supplemental protection

- MASA Assist plans do not require primary health insurance as most plans do not cover off island air ambulance costs, MASA acts as primary insurance in most instances

Worldwide coverage

- MASA does not service countries on level 4/other countries on government travel advisory site, OFAC countries, and Antarctica.
- Travel Itineraries (dates and locations travelling to) outside US, Canada, Mexico, and the Caribbean must be sent to travel@masaglobal.com at least 10 days prior for Worldwide coverage to apply
 - This is to ensure that MASA can inform member if they are covered or not in country going to and one of only times outside of a claim Member engages with MASA
 - If not provided, MASA will only cover up to \$20,000 in the event MASA services are needed

Pre-existing conditions waiting period

- If a Member has a pre-existing condition, all non-emergency benefits will not apply during the first ninety (90) days of enrollment.
 - This to protect claims that are guaranteed.

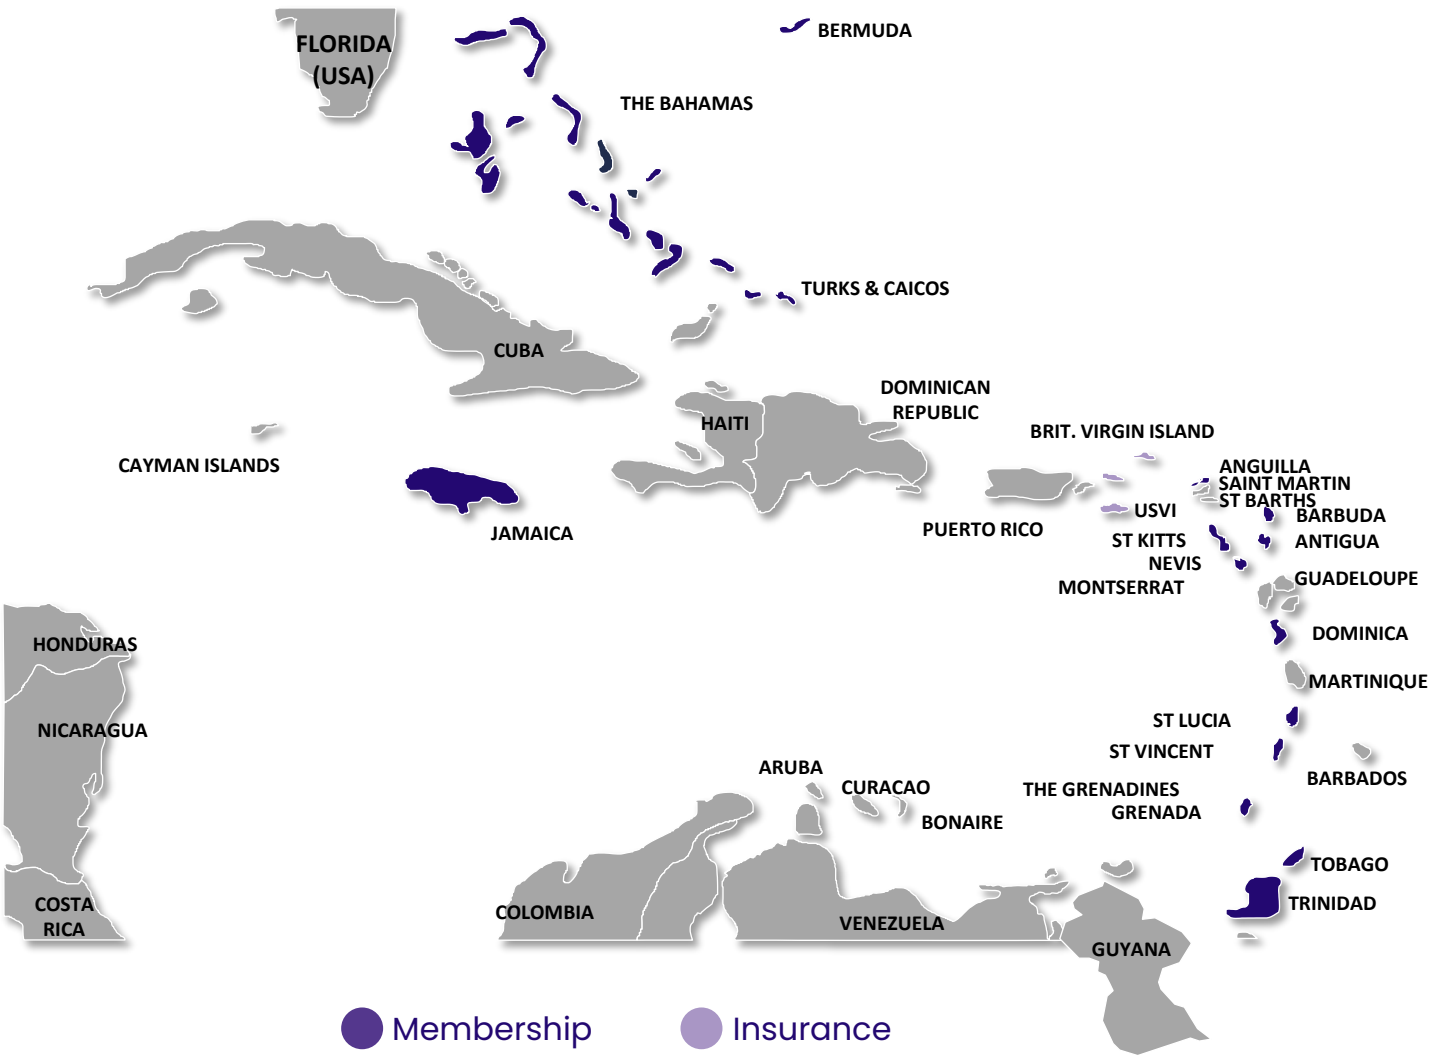

Claims submission period

- MASA claims must be submitted within 180 days of incident or ambulance transport

International standard exclusions

1. Transport for elective and/or cosmetic surgery
2. Occurrences related to military personnel during active-duty hours
3. Air travel, other than as a passenger in an aircraft operated by a common-carrier airline, maintaining regular published schedules
4. Treatment for mental illness or disease or any self-inflicted injury shall be limited to one (1) claim per membership for each consecutive twelve (12) month period beginning from the effective date
5. Under the influence of intoxicants and/or narcotics unless administered on the advice of a physician;
6. Inherently dangerous activities such as participation in professional athletic events, motor sport or motor racing, bull-riding, skydiving, parachuting, hang gliding, bungee cord jumping, heli-skiing, spelunking, etc.
7. A serious emergency or out-of-pocket expense arising from employment where coverage is provided and approved under and Workers' Compensation Law, occupational disease/hazard law or similar legislation
8. Participation in a Riot, insurrection, rebellion, civil disobedience or unlawful assembly;
9. Participation in declared or undeclared war or acts thereof
10. MASA shall provide no more than two (2) claims per membership for Air Ambulance Coverage for each consecutive twelve (12) month period beginning from the Effective Date.
11. If Member is diagnosed by a physician with a terminal illness that can reasonably be expected to result in death in one (1) month or less after the date of the certification following an inpatient admission, MASA will not provide coverage for Emergency Air Ambulance Coverage, Hospital to Hospital Air Ambulance Coverage, and Repatriation to Hospital Near Home Coverage
12. A membership cannot be purchased while Member is Inpatient at a Medical Facility requesting benefits

Funeral Partners standard terms & limitations

Definitions

- Member: shall be defined as the person who makes, either directly or through a third-party, including electronically, the application for membership with MASA and whose application and applicable fees have been received and accepted by MASA, and thereby becomes a Member in Good Standing.

Qualifications to purchase coverage

- Must be 18 years of age or older to purchase a plan
- Must primarily be living at a US residence

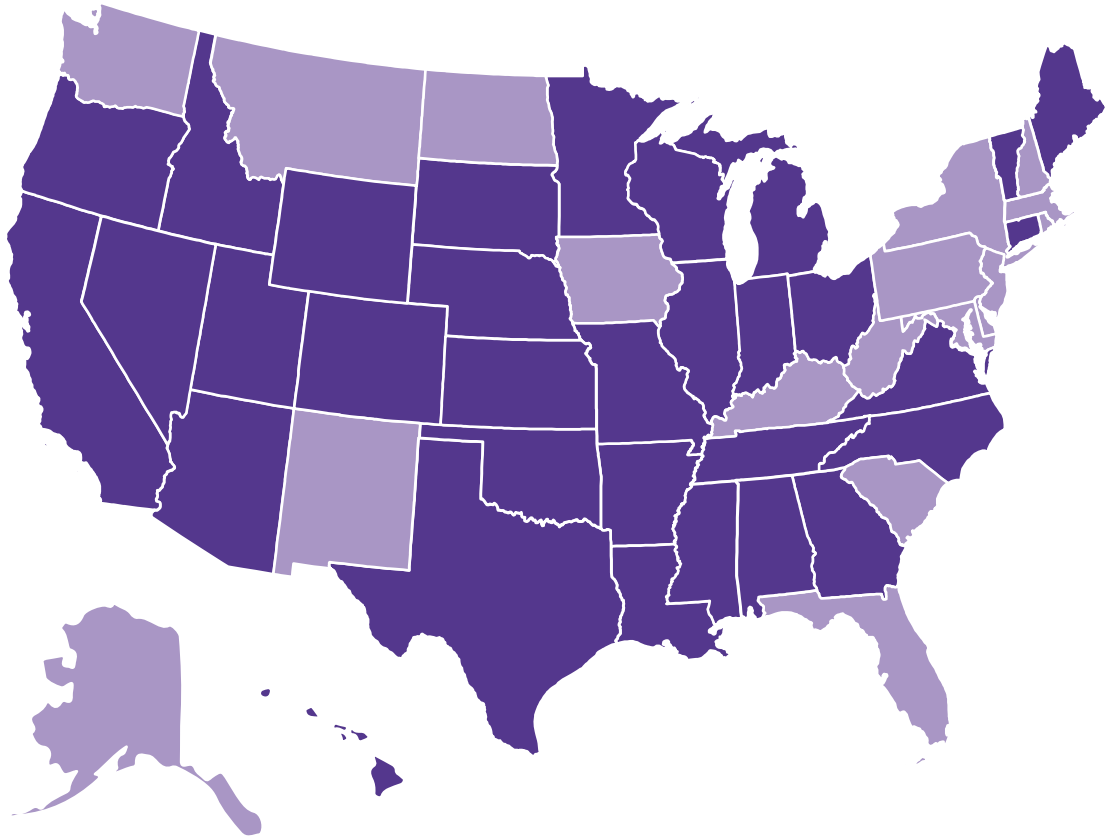

Access limitations

- Death must have occurred more than 75 miles away from home in the US
- If purchased while the Member is more than 75 miles from Member's residence, it shall not become effective until such time as Member has returned while still living to this 75-mile radius.
- MASA must be first call to render services

Funeral partners standard exclusions

1. MASA is not first call to render services
2. Death has occurred under 75 miles away from home
3. Plan has not been paid in full
